By Judy Rogers

The JV Boys from Golden Plains played a 2-quarter game in Logan on January 13 winning 20-15 over the Trojans. The Bulldogs easily pulled ahead 12-1 in the first quarter with two three-pointers from Brett Gerbitz and four points from Feliciano Bermudez and a basket from Dawson Spresser.

In the second quarter, the Trojans stepped up the pace and added 14 points to their side of the boards. The Bulldogs held on with five points from sophomore Nick Brown and three points from freshman Jeron Schutte for the 20-15 win. “Although we won easily over the Trojans,” said Brown. “The score doesn’t show that everyone played at the end of the game.” The JV team will take Friday off before traveling to Cheylin on January 20.
