

## Scholar's Bowl Team Competes in Atwood

By Judy Rogers

The Golden Plains High School Scholar Bowl team competed in their first meet of the season at the Rawlins County meet on October 20. Competing for the team this year are Clayton Bange, Charlotte McCurdy, Devin Carter, Becca Bange, Nick Brown, and Jennifer Esparza.

With many young players on the varsity team, the Bulldogs won three rounds over Sharon Springs, Quinter, and Goodland. They faced tough competition against Rawlins County, St. Francis, Colby, Norton, and Oberlin losing these rounds generally within one or two questions.

“Our strongest category was science,” said team captain Rebecca Bange. “We have room to improve at our next meet.” The scholars will compete at their home meet in Rexford on November 3.
