

Lady Bulldogs Win on the Road By Judy Rogers

The Golden Plains Lady Bulldogs won all three of their volleyball matches in Greeley County on September 9. "It was nice to get our first wins of the season," said Junior Brianna Stoll. "We really proved to ourselves that when we put our minds to something, we can be successful. I am really excited to see where this season takes us."

The first game of the quad was against the host team Greeley County. The Lady 'Dogs easily won the first set 25-7 and captured the win in the second set 25-13.

The girls then faced the Lady Crusaders from Heartland Christian for the first of several contests this season. They claimed another victory with 25-11 and 25-15 wins.

The final match of the evening was opposite the Triplains/Brewster Lady Titans. The Lady Titans had defeated the Lady Bulldogs in three close sets the week before and this contest was no different as the two teams battled it out again in three. The Lady Bulldogs claimed the first set 25-22, but the Lady Titans claimed the second 25-17. Both teams had to keep their energy up throughout the closely contested third set, but the Lady Bulldogs claimed the game 29-27.

The Lady Bulldogs continued their season on Saturday at the Gove County Classic before playing their first home games on September 16.
