

GPHS Takes Second at Home Meet

By Amanda Cheney

The Golden Plains High School scholar's bowl team placed second at their home meet in Rexford on October 30. Along with Golden Plains High School, teams competing at this meet were Cheylin, Hill City, Rawlins County, Triplains, Wallace County, Weskan, and Wheatland/Grinnell. "So far, we've worked really well as a team," said Devin Carter. "I think we'll continue to do so,"

The Dog's only loss was to Hill City with a 10-70 score. "Our season is going great with winning fifteen rounds and only one loss," added Carter. "We're able to work really well as team and play to each other's strengths," continued Jennifer Esparza. "The only thing we need to work on is individual confidence."

The GPHS scholar's bowl team will travel to Bird City to compete again on November 13.
