

MS Dogs Looking for Win
By Miguel Monge

The MS Dogs are still looking for a win after their game against Logan/Palco on September 21 in Rexford. They are 0-4 now after their loss against the Trojans, 0-46.

Although they weren't able to score on the Trojans, the Bulldogs were able to hold the Trojans back a bit in defense. Logan was able to take advantage of the Bulldogs leading 0-24 in the first quarter.

In the second quarter, the 'Dogs made more of a forward movement with the ball. Their defense improved and kept the Trojans out of the end zone. The game ended near the end of the third quarter with a score of 0-46 with less than a minute left on the clock.

"The Bulldogs were outmanned," said Coach Russ Aumiller, "but they did not give up." The 'Dogs will look for their first win against Heartland Christian on September 28 as they play the remainder of their season as flag games.
