

## Lady Bulldogs Win Two at Home By Judy Rogers

The Golden Plains Lady Bulldogs won two volleyball matches on their home court on September 22 against Weskan and Wallace County. These Saturday wins extended their record to 15-6 as they prepare for the upcoming Hill City Tournament and League meets.

The girls took an early lead over Weskan in the first set and never looked back as they won 25-8. The Coyotes put up a little more of a fight in the second set, but the Bulldogs took over after an 8-8 tie and with some decisive kills from junior Mabel Lugo won the set and the match 25-15.

The girls played the Wallace County Wildcats from Sharon Springs for their second match of the day. With junior Zoey Hillis and Lugo leading the front and executing some great blocks, the Bulldogs kept the match close finally pulling ahead for the win 25-20. In set 2, the Wildcats again fought for their points, but the Bulldogs maintained their lead throughout the set with some great ACE serves from Amanda Cheney and some point earning spikes from KayCee Miller to capture the 25-15 win.

“I think it was a great step in our season,” said Kassie Miller. “We played well and with great excitement and energy.” The Lady Bulldogs will host another set of home against Triplains/Brewster and Northern Valley on October 2 before competing at the Hill City Invitational on October 6.
