

Titans Overrun Bulldogs in First Game

By Judy Rogers

The Golden Plains Middle School football team played a hard game at home on August 30 against Triplains/Brewster, but were unable to get a score losing to the Titans 0-46 midway through the third quarter.

The Bulldogs received the ball to start the game, but ended with a turnover. Tayten Barnett and Mason Green had some good tackles but the Titans pushed forward to score a touchdown and extra points to lead 8-0.

Marshall Dirocco and Green continued to make some great tackles to keep the score 8-0 at the end of the first quarter. The Titans struck again early in the second to take a 16-0 lead. The Bulldogs defense improved as the game continued but the Titans were able to score once more to go into the half 24-0.

Despite additional tackles by Dirocco and Green, the Titans were pretty much unstoppable in the third as they added three more scores to finish the game 36-0 with just under four minutes left in the third quarter.

The Bulldogs will travel to Grinnell on September 6 to take on the Grinnell/Wheatland Thunderhawks.
