By Candace Taylor

On Thursday, September 26, the Golden Plains Bulldogs Middle School volleyball team hosted a triangular at Rexford with the Logan Trojans and the Palco Roosters. The Bulldogs lost one and won two matches.

The A team girls played the first match against the Palco Roosters. Palco took the first set and won 25-15. The second set was a closer game, but the Roosters took the win again with a score of 25-21. “We need to work on teamwork and not getting so down on ourselves,” said 8th grader Hayden Wark. “We also struggled with communication, so we need to work on that for future games.”

The second game of the night was a B team game between the Bulldogs and the Trojans. Both sets were close, but the Bulldogs won it all with a score of 25-22 in the first set and 25-20 in the second set. “We had good serves and played hard. We need to work on staying positive throughout games, though,” said 7th grader McKinzie Horobik.

The Golden Plains Bulldogs and Logan Trojans played the final A-Team volleyball match. The first set was a close game, but the Bulldogs came out winning 25-21. Both teams fought in the second set, but the Trojans took the win this time 25-17. The teams went back and forth in the third until the Lady Bulldogs pulled ahead and won 18-16.

The Golden Plains Bulldogs will host volleyball games at Rexford on Thursday, October 10, against Cheylin.
