Audience with Visitors

Board President asks if there are any visitors who would like to speak or bring anything before the BOE. The Board President will say “The Board appreciates patrons taking time to talk to us about our policies and procedures. We set aside time every meeting to hear from the public. Your comments should be directed towards board policies or the procedures our administrators establish to carry out policies.

This is not the appropriate time or place for patrons to make comments of a personal nature about any district employee or student. Persons making comments which violate the privacy rights of district employees and students will be asked to stop speaking or cease their remarks. If a patron or parent has a concern with one or more employees, the board will refer that person to the appropriate employee or the superintendent. If the board refers your concern to an administrator for investigation, the board will follow up at a future meeting.

Thank you again for taking your time to discuss district business with the board.

Gary Sechrist will be here to present potential candidates for the Pre/K-12 Principal/Superintendent Search.

E. BOARD ACTION ITEMS

E-1 Renewal of Rawlins County Revitalization Plan

In January of 2006 USD 316 entered into the agreement. It expired on Dec. 31, 2017. They are asking us to once again approve our district’s participation in the Neighborhood Revitalization Plan for Rawlins County. Attached is a letter, the plan, and the interlocal agreement.

Motion _____ Second _____ Action _____

E-2 Approve change of date for the January Board Meeting from January 15th to the 22nd, 2018.

The 15th is an inservice day for the district and there is no school for students. We usually do not have BOE meeting on those days. I propose we approve the change. It also gives you some extra time to do interviews and make a choice.

Motion _____ Second _____ Action _____
