NWKTC- Paul Bruggeman – Paul received a plaque for 20 years of service to the board.

NWKESC-Jay Todd – attended meeting via zoom. Having a problem getting a quorum for meetings.

Administrative Assistant-Travis Smith

1. KSHSAA, as you know, passed a limited spectator policy that is now in effect until Jan 28th.
2. The Winter Moratorium, (No contact period) has been extended this year. It will take place from Dec 23rd until Jan 4th. Games can resume Jan 8th. We have had to reschedule 1 high school and 1 middle school game that fell during that time span.
3. The WKLL, as a league, decided that each school will have a parent pass gate list that is sent to each school by noon the day of the game. We did this to try and ensure that only parents / legal guardians are attending activities. Parents have been asked to call and notify the school on who is coming to home games so we have a good idea on whom and who isn't going to attend.

4. Von Lintel's Floor refinishing will be here to refinish the elementary floor on Dec 28th. He plans to have the gym completed so that the student can be back on the floor by Jan 4th. He will use a 24 hour finish that will dry quicker.
5. HS Forensics will kick off their season after break. It sounds as if most of it will be done virtually.
6. The girls' basketball team won the Sagebrush Shootout by defeating Wichita County in the finals. They had 3 girls make the all-tournament team. (Ashley Stoll, Brooke Stoll, and Kassie Miller).
7. The students and staff in Rexford continue to do well with the Covid policies. Since the masks mandate that you passed last month; we have not had a single issue with the students not wearing them. The students have complied and seem to be doing well. I believe the policies we have in place have helped keep the doors open and our teams competing so far this year.
8. Teacher's grades were due by 4:00 on December 18th. We did have a couple of teachers who have asked if they could get an extension on that deadline.
9. High school students, who were transferring class, had to also do so by December 18th.
10. I have talked to the Thomas County Sheriff's Department about coming down with their drug dogs to do a search sometime in early January. I do not believe we have any types of issues, but it is always good to have a police presence around the school.
11. The heater, that heats the music and locker rooms, had to have a blower replaced Dec 18th. C & B from Colby completed the work.

Elementary Building Report – Ed Weiner

1. The month of December has progress relatively issue free. The excitement level of the students have increased each week as Christmas Break approached.
2. Remote Students for month of December-Six Students
3. Elementary Vocal Music Programs is posted on School Website. Big hand to Bonnie for being flexible in this unusual time
4. New Procedure for Arrival of Students due to gym floor refinishing:
Starting on Jan. 4, student will begin using lockers to store book bags, coats and shoes.
Early bus riders will enter building and proceed to their lockers and store their coats and book bags. They will then change into gym shoes and report to the gym to await going to breakfast. They will report to breakfast and once finished will return to gym until dismissed to classroom at 8:00 AM
Late bus riders will be dismissed from the bus by grade level. They will enter the building and proceed to their locker where book bags and coats will be stored. Those wanting breakfast will report to the lunch room for breakfast. Those not eating breakfast will change into gym shoes and report to the gym until dismissed to classroom at 8:00 AM.
Those eating breakfast will be dismissed to their classrooms at 8:00 AM
Afternoon walkers will exit out the front door.

5. NHS Fun Day on December 17, 2020. NHS students spent the morning with the elementary students conducting fun activities. Groups of NHS students were assigned to a specific class and spent the entire morning with that class. This was a classic example of organized chaos but fun was had by all.
